

GRIPPS®

H01112 ZIP-LOCK BAG - 30.0KG

Designed for both lightweight convenience and robust durability, the GRIPPS® Zip-Lock Bag seamlessly integrates multiple layers of functionality within a cost-effective solution.

Constructed from water-resistant and puncture-resistant Nylon, the GRIPPS® Zip-Lock Bag boasts a heavy-duty type-10 Nylon zip, ensuring a secure closure that protects your contents reliably. The reinforced lid adds an extra layer of strength to the design.

The load-rated lifting strap allows for flexibility in transportation, and a reinforced bottom ensures longevity in harsh conditions.
